

TECHNICAL: 100-YEAR LIMITED WARRANTY

The Longest Warranty in the Industry

NevilStone carries a 100-year limited warranty when installed on structures that meet all local building codes. Material must be installed in accordance with manufacturer's installation instructions. Warranty is limited to replacement of defective materials only and does not cover expenses related to the removal or replacement of stone.

Warranty does not cover the following: issues resulting from building settlement, wall movement, contact with chemicals, paint or discoloration due to airborne contaminants or stains caused by material applied to or allowed to come in contact with stone. Warranty is not transferable and is limited to the original purchaser.
